

6" ALL COTTON

FEATURES

- 1 For added strength, the heavy cotton twill outer shell is constructed like a box—with top, bottom and side panels—not like a pillow as on other futons.
- 2 Our futons have 25% more lace tufts than the competition.
- 3 We 'crown' each futon across the middle with several pounds of extra cotton top and bottom for extra comfort and support.
- 4 Double-stitched seams won't split or unwind.

- 5 50 lbs of custom-blended "JOY" cotton batting, the densest most durable in the world, using nothing but the purest cotton picker and linter available.

More densely packed cotton inside than any other futon, a Gold Bond futon will retain its firmness, loftiness and support long after the competition falls flat.
