BRILLIANCE COLLECTION MATTRESSES BY **Gold Bond**
Since 1899

I'M A
MOTION-FRIENDLY
MATTRESS

- 1 NEW Premium Stretch Knit Engineered Cover with Tencel**
 - For natural cooling
- 2 2" Soft Vytex Organic 5 lbs Latex**
 - The purest in sleep technology—hypoallergenic, toxin free, dust mite resistant, mold & mildew free, protein free.
 - The most durable latex product available.
 - 4X more breathable than other latex or foam mattresses, keeping the body cool during sleep.
- 3 HR Super Firm Support Foam**
 - Enhances thermal qualities and extends mattress life

- 4 Bolsa® Spring System with Quantum® Edge Steel Perimeter**
 - Queen Coil Count 1057
 - Requires less force to bend, resulting in less wear and tear on an adjustable base's moving parts than foam encasement.
 - Steel perimeter around the mattress provides comfortable support all the way to the edge of the bed.
 - Innersprings sleep up to 28% cooler than foam.
 - The Active Support Technology® relaxes muscles during natural sleep movements, comforting and supporting the body.
- 5 Heavy 1.75 Fiber Board**

Made with Vytex Latex, the Best 100% Natural Latex in the World.
